

Camp Magruder Summer Resource Staff Job Description 2024

General Description: Summer Resource Staff provides Christian hospitality and learning for visitors, by leading activities, assisting in programming, and helping maintain the camp.

Summer Resource Staff works under a Program Leadership Team who will assist and guide as needed. Summer Resource employees comply with camp rules, safety procedures, job goals, and periodic performance reviews.

Resource Staff split time between two types of groups: (1) Camp Magruder, spiritually focused camps and retreats for children, youth, or families and (2) non-profit Retreat Groups who plan their own schedules. Resource Staff leads activities for both groups, but is more heavily involved in the day-to-day life of Magruder sponsored camps. Involvement with retreat guests is heavily dependent on how they orient their schedules and request staff involvement. Staff is expected to model Christian hospitality and encouraged to seek connection with all guests. Resource Staff engages with a wide range of spiritually-focused personal development, and all backgrounds are welcome with no emphasis on changing one's personal beliefs.

Pay: \$6,380 for 11 weeks* (\$580/week) with room & board provided.
